

Returns & Refunds Policy

30-Day Return Window

You may return most items within 30 days of delivery for a full refund. Items must be unused, in their original packaging, and accompanied by a receipt or order confirmation email. Certain product categories such as digital downloads, perishable goods, and custom-engraved items are non-returnable.

How to Start a Return

To initiate a return, log in to your account, navigate to Order History, select the order containing the item, and click 'Return Item'. You will receive a prepaid return shipping label via email within 1 business day. Pack the item securely and drop it off at any authorized carrier location.

Refund Timeline

Once we receive and inspect the returned item (typically 2–3 business days after carrier delivery), we will process your refund within 5 business days. Refunds are issued to the original payment method. Credit card refunds may take an additional 3–7 business days to appear on your statement depending on your bank.

Damaged or Defective Items

If you received a damaged or defective item, contact support@shop.example.com within 7 days of delivery. Include your order number and photos of the damage. We will ship a replacement at no cost or issue a full refund — your choice. You do not need to return the damaged item.

Exchanges

We do not process direct exchanges. To swap for a different size or color, return the original item and place a new order. If you need the replacement urgently, place the new order immediately and we will prioritize fulfillment.

Non-Returnable Items

The following items cannot be returned: digital gift cards, downloadable software, personalized or custom-made products, hazardous materials, and items marked 'Final Sale' at the time of purchase.
