

# Shipping & Delivery Guide

## Standard Shipping

Standard shipping is available on all orders and takes 5–7 business days from the date of dispatch. Orders placed before 2:00 PM EST Monday–Friday are typically dispatched the same day. Orders placed on weekends or public holidays are dispatched on the next business day. Standard shipping is free on orders over \$50.

## Expedited Shipping

Expedited shipping (2–3 business days) is available for an additional \$9.99. This option is available for most items shipped within the contiguous United States. Alaska, Hawaii, and US territories may require an additional 1–2 days.

## Overnight Shipping

Overnight shipping guarantees next-business-day delivery by 10:30 AM when ordered before 12:00 PM EST. The cost is \$24.99 per shipment. Overnight shipping is not available for oversized items, hazardous goods, or orders shipping to PO boxes.

## International Shipping

We ship to over 40 countries. International orders typically arrive within 10–21 business days depending on destination and local customs processing. Customers are responsible for any import duties, taxes, or customs fees levied by the destination country. We are not liable for delays caused by customs.

## Order Tracking

Once your order ships, you will receive a shipping confirmation email with a tracking number. You can track your package in real time on our website under 'Track Order' or directly on the carrier's website. Tracking information may take up to 24 hours to appear after dispatch.

## Lost or Stolen Packages

If your tracking shows 'Delivered' but you have not received your package, first check around your property and with neighbors. If the package is still missing after 2 business days, contact us at [support@shop.example.com](mailto:support@shop.example.com) with your order number. We will file a carrier claim and send a replacement or refund within 5 business days.
